

CARE Training

Presented by

Keygan Miller
(They/Them)

**Director of Public
Training**

March 6, 2025 at 3:30 PM - 5:00 PM

The Trevor CARE training provides an overview of suicide among lesbian, gay, bisexual, transgender, queer and questioning (LGBTQ) people and the different environmental stressors that contribute to their heightened risk for suicide. After reviewing current research, there will be an emphasis on best practices and practical steps that allies and peers can take to promote a positive environment and respond to a person who is at risk for suicide.
