

# The Children's Room

*caring grief support for children, teens, and families*

## SCHOOL & COMMUNITY-BASED SERVICES

The Children's Room's School and Community-Based Services provide students access to quality, trauma-informed grief support in their familiar, daily environments. TCR is available year round to discuss our menu of services and the needs of your school and/or community agency.

**DIRECT SERVICES FOR STUDENTS:** Provided through collaborations between clinical staff from TCR and mental health professionals from the school or community agency. Coordination, materials, and facilitation of these services are offered free of charge.

### SCHOOL & COMMUNITY-BASED PEER SUPPORT GROUPS

- A customized, eight-week grief group series based on a peer support model
- Normalizes grief-related experiences, decreases isolation, strengthens coping skills, and builds connections among students
- Offered for 1st - 12th graders who have experienced the death of a parent, sibling, or close family member

### PATHWAYS OF CHANGE

- A four-part social and emotional learning curriculum focusing on change, loss, and grief
- Incorporates art, writing, group-based games, and psychoeducation
- Developed through the support of the Parmenter Foundation
- Offered for 2nd - 4th graders

### CHILDREN'S & TEENS' GRIEF AWARENESS MONTH

- School-wide tabling events with brief, collaborative activities
- Students show support for peers and increase awareness of grief on a community level
- Offered for 1st - 12th graders
- Workshops also available for 9th - 12th graders

**SERVICES FOR PROFESSIONALS:** Education and training regarding grief-sensitive practices within schools and agencies.

## PROFESSIONAL TRAININGS

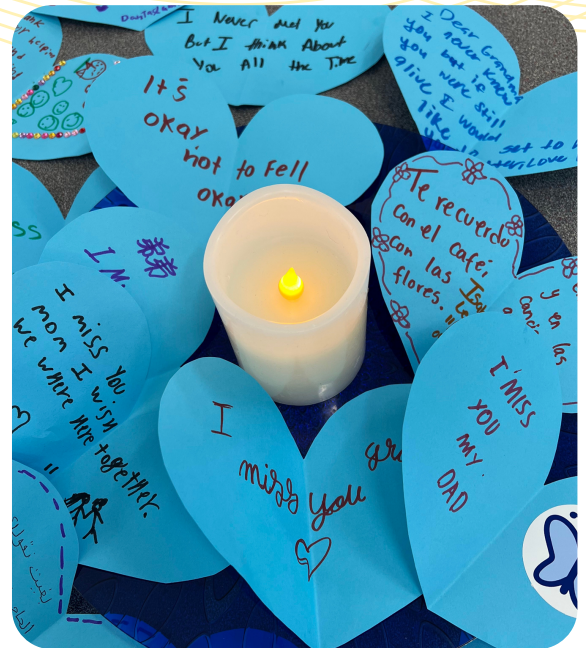

- In-depth understanding of ways to be supportive of students and families who are coping with death and/or other types of loss
- Typically a minimum of 2 hours in length, either virtually or on-site
- Please inquire for more information such as scheduling options and the hourly fee

## PRESENTATIONS

- Raise awareness of the prevalence and impact of childhood and adolescent bereavement
- Gain understanding of services and partnerships available from The Children's Room

## PROFESSIONAL CONSULTATIONS

- Focused on the grief-related needs of a specific client/student
- Discuss strategies for offering support within the context of the school or agency (ex: developmentally-appropriate responses to grief communication with the family, and planning for a student's return to school)
