The Massachusetts Aging and
Mental Health Coalition
(MAMHC) is a statewide
membership organization
dedicated to improving
awareness of the critical
problems older adults face when
experiencing mental health
conditions, dementia
or substance abuse.

MIND BODY CONTINUUM: INTEGRATED APPROACHES TO OLDER ADULT HEALTH

May 13, 2019

College of the Holy Cross
Hogan Campus Center
Worcester, MA

REGISTRATION 8:00 – 8:30 AM
PROGRAM 8:30 AM – 3:30 PM

Join us to explore the intersection of
medical and behavioral health challenges
and innovations for older adults with:

Susan Nathan,
staff physician with the VA
Boston Healthcare System and
site director for the *My Life, My
Story* Project, on the
intersection of physical and
behavioral health

Olivia Ames Hoblitzelle,
author of *Aging with Wisdom*
and *Ten Thousand Joys & Ten
Thousand Sorrows*, on finding
meaning and beauty in aging

And many others!
